Lab 1 – HTML

Fundamentals

Assignment 1. Runners Home page

- Write HTML code for the following page.

- **Note:** use headings, divs, paragraphs and ul tags

Assignment 1. Runners Home page

- The **\<hr\>** tag represents a **thematic break** between paragraph-level elements: for example, a change of scene in a story, or a shift of topic within a section.

  Historically, this has been presented as a horizontal rule or line. However, if you wish to draw a horizontal line, you should use appropriate CSS.

Assignment 1. Runners Home page

- **HTML character Entities**

  Some characters are reserved in HTML.

Result	Description	Entity Name	Entity Number
